Petition To Force Utility Probe Is Found Inadequate

Board Seeks Constructive Suggestions To Meet Any Criticism

The petition presented to the board of directors of the Truckee Public Utility District, calling for an investigation of the district's activities, has been declared insufficient for the board to act upon.

This was revealed in a letter from Paul H. Chamberlain, the district's attorney, to I. O. Gifford, who circulated and presented the petition.

As outlined in the letter, a copy of which was sent to Cecil Edmunds, the district manager, Attorney Chamberlain stated that the petition does not comply with the provisions of the election code which requires that signers to a petition insert the date on which it was signed at the time they affix their signatures.

Harold Welch, chairman of the board, declared:

"While the board took note of the inadequacy and failure of the petition to meet the code requirements, as pointed out by the district's attorney, they do not overlook the fact that some dissatisfaction or misunderstanding exists in the minds of some as to the district's operations and expressed the hope that any customer who feels he or she has a grievance would bring it to the attention of the board."

" All boards meetings are open to the public," Welch said, "and any person is welcome and urged to attend and present their problem for the consideration of the board."

Lushenko To Get Second Theft Trial

NEVADA CITY—A new jury trial on two counts of grand theft involving a boat and motor taken from Donner Lake last June 2 for Ronald Wayne Lushenko, Sacramento delivery truck driver, will begin Monday, April 7, in Nevada County Superior Court.

The trial date was set by Superior Judge Vernon Stoll following request by District Attorney Harold Berliner that a new trial be held and denial by Judge Stoll of request for dismissal of the case by Lushenko's attorney. The first trial, held the past two weeks in superior court, ended in a hung jury with 11 to one for acquittal.

Leonard Burke of Sacramento and Albert Johnson of Nevada City, associate attorneys for Lushenko, made the dismissal motion in the absence of Attorney Anthony Scelora, also of Sacramento, who headed the defense action in the original trial.

Lushenko was accused of stealing a boat and motor from Donner Lake beglonging to Kenneth Gordon and the late Charles Robarts.

BAY AREA SKI MEET HELD AT VALLEY

SQUAW VALLEY — Smiley Tschopp, 15-year-old Sacramento skier, edged her older sister, Deedee, Sunday to win the Bay Area Ski Federation giant slalom at this site of the 1960 Winter Olympics.

Smiley negotiated the 35-gate course in 1:09.5 compared to 1:11.2 for Deedee, 16. Pat Chaney, a University of California coed, was third.

Herb Blatt of San Mateo won the men's event with a 1:03.6 clocking. Bob Beatie of San Francisco was second and Eric Johnson of Oakland, third.

The Sierra Club of San Francisco, composed of Beatie, Joanne White, Jim Niclos and Bob McGillicuddy, beat out 14 other teams in the combined competition.

20-30ETTES PROPOSE VALENTINE PARTY

Miss Pat Andres entertained Monday evening for members of the 20-30 etts who discussed a Valentine party they have planned with members of the 20-30 Club as their guests.

A change in the meeting night was voted on from Monday to Wednesday evening and the group expressed gratification for the generous response to their recent drive for usable articles of clothing which will be advantageously redistributed.

The hostess served refreshments after the business was concluded.

ACTIVITIES PLANNED BY RAINBOW GIRLS

Rainbow Assembly for Girls outlined several activities at their February 10 meeting including a skating party which occured Wednesday. The February meeting of the local group will be devoted to practice for officers.

Frances Howard and Linda Draney were given a vote of thanks for earning $50 at the Shriner's convention.

Joe Miller has enrolled as a first-year student in Sierra College at Auburn. He registered last Thursday and on Sunday his grandparents, Mr. and Mrs. Joe Mattos took him down to start classes.

Two Pass Exams To Qualify To Be Judge Candidate

Roy F. Waters and Earl K. Stice, both of Truckee and T. F. Sheehan of Tahoe City have passed the qualifying examination to become candidates for the office of judicial district judge. Results of the examination, held three weeks ago in Nevada City, were announced this week by the state judicial council.

Under recently enacted laws, all candidates for judgeship must either be attorneys or pass qualifying examinations. February 1 was the last date for qualifying to enter the primary election in June.

None of the three have indicated their intention of seeking the post, although both Waters and Stice admit contemplating the idea. The office of judge of the Truckee Judicial Court is held by Fosten W. Wilson who has announced he will be a candidate for re-election.

Travel Increasing Over Highway 40

Although travel into California over US Highway 40 during January was slightly under the December mark, it was well over the 16,457 cars reported during January, 1957, the monthly report of the department of agriculture shows.

The figures for last month show 21,962 cars, 3496 trucks and 717 buses entered the state via Truckee with 72,443 passengers.

The Truckee station was in fifth place as a port of entry, despite the widely-publicized weather and the fact that portions of the highway are under construction.

At Meyers on Highway 50, 5996 cars, 492 trucks and 33 buses were checked, with a total passenger count of 15,575. This was a drop of approximately 2000 cars under December, but was well over the 3862 cars reported during January, 1957.

LOW BID SUBMITTED FOR MAPPING ROAD

Hugh M. Gallagher of Riverside has submitted a low bid of $6960 for taking the necessary aerial photographs for a survey to be made on State Sign Route 89 north of Truckee. The survey will cover the section from one mile north of Truckee to 2.5 miles north of Hobart Mills.

The survey is required for planning a by-pass of the proposed Prosser Creek reservoir in this area, District Highway Engineer Alan S. Hart explained. The proposed reservoir will provide addition water for western Nevada and will inundate existing roadway.

Hart emphasized that nothing definite has been established in regard to the proposed reservoir, but the survey is in keeping with the policy of having plans ready to meet possible required roadway relocations in the future.

MILK PRICES RAISED IN NEVADA COUNTY

SACRAMENTO (CNS) — The state bureau of milk control has announced minimum prices for fluid milk in the Golden Chain marketing area will be increased one cent a quart, effective February 16.

The new price of 24½ cents a quart and and 48½ cents per half gallon will be effective for both retail sales and home deliveries.

The Golden Chain marketing area includes all of Amador, El Dorado and Nevada counties, most of Placer County and the northern part of Calaveras County.

The bureau said the increase was granted because of higher processing and delivery costs.

KINGS BEACH COUPLE PARENTS OF NEW SON

Walter James are the given names of the son born February 8 to Mr. and Mrs. Robert Center of Kings Beach. The boy weighed in at 7 pounds, 9 ounces upon arrival at Tahoe Forest Hospital.

VETERAN OFFICER TO VISIT ON FRIDAY

Weather permitting, a representative from the Nevada County Veteran's Service office will be in Truckee on Friday, February 14, between the hours of 10 a.m. and 3 p.m. Anyone desiring to avail themselves of these services may do so at the office of Justice Fosten W. Wilson, justice court, during the hours indicated.

JOIN THE MARCH OF DIMES

Three Injured As Second Bus Hits Hirschdale Railing

Snow Blamed For Mishap As Bus Plunges 30 Feet Off Road

For the fourth time this winter the guard rail just west of the Hirschdale overpass has been wrecked by vehicles and for the second time, a Greyhound bus has has been the offender.

Three people suffered minor injuries Saturday morning at 3:30 when the bus driven by Thomas M. Ryan of Sacramento, skidded on the snowy pavement and plunged through the guardrail and 30 feet off the highway. There were 11 passengers on the west-bound bus and three, Leon Francis Maddy, 53, Klamath Falls; Beulah Mae Ellison, 43, Reno, and Macel Schoessler, 39, Sacramento, were taken to the Tahoe Forest Hospital with minor injuries.

Sgt. Frank Snyder of the highway patrol, said the bus was not traveling at a high rate of speed, but that the road was snow-covered and it was snowinng at the time.

Passengers from a Greyhound bus, involved in a fatal accident a week previously near Nyack, are reported recovering at the hospital here.

Local Lodge Will Hold Fund Drive

Naomi Rebekah Lodge, No. 2, has been appointed to collect funds for the Heart Association in Truckee on Heart Sunday, February 23.

The chairman, Mrs. Ben King, will enlist volunteers from the lodge, and others interested in making a door-to-door canvass for contributions to the Heart Association's local, state and national program of medical research, community service and education.

"A contribution to the Heart Association is the way we can all join in combating this health problem," Mrs. King said. She noted that Odd Fellow and Rebekah Lodges throughout the state would be participating in this Heart Sunday collection for the second year

The Heart Fund has been endorsed by the Grand Lodge, I.O.O.F. and the Rebekah Assembly as "an outstanding public service dedicated to the better health of the American people."

JOE COPELAND NOW TRAINING AT ORD

Joseph Vincent Copeland, son of Mrs. Susie Copeland of Truckee was inducted into the army Tuesday and was immediately sent to Fort Ord for basic training. Following his initial training there, the young recruit will be assigned to a permanent base for service.

FOUNDERS' DAY IS OBSERVED BY PTA

Founders' Day was observed by the Truckee Elementary PTA Monday evening with Mrs. Wilbur Glenn presiding at the meeting.

Rev. Earl Langguth of Kings Beach was the speaker and discussed the effects of radiation on future generations.

A beautifully decorated cake was served at refreshment time by the hostesses Mesdames Zeph Rose, Robert Mosby and Edward Frates.

FORMER OFFICIAL IS LIONS CLUB SPEAKER

Keith Lummis, manager of the Sierra Club and a former secret service officer told members of the Lions Club last night of some of his experience with that organization and with his affiliation with the state department and department of labor. Visitors at the meeting held at Donner Lake Lodge were Richard Walker and Harold Langille.

Dr. Robert Affeldt was inducted as a new member.

Northern Lights

Many residents of this area Monday night had a view of an impressive display of the Northern Light. The reddish glow lit up the heavens for some time. This was an unusual sight as the lights are seldom seen this far south. However, they were visible at many scattered points from Boston to Los Angeles all across the United States.

SUNBEAMS

By WALTER M. BARRETT

Voters on April 8 will be asked whether or not an airport district shall be formed to embrace North Tahoe and Truckee and provide for possible future development of the area. This election is not involved with finance or building, but simply provides a political entity, designed to petition federal and state agencies for aid, and to prevent this region from being included in some remote or county-wide airport district. There will probably be some opposition to the formation of a local district, since it cannot be denied the governing board will have taxing powers, but there remains the undisputed fact that even this would be preferable to being taxed by a board controlling an airport 50 or 100 miles distant and without any possible benefit for this region. We had a very good recent example of what can be done in this regard with the formation of the Sierra College District, and we don't think we should again put ourselves in such a position. Apparently the only sure way to avoid this is through the establishment of our own district. If, in the future, it is found advisable for the district to build and maintain an airport, then a bond issue would be necessary to provide the money and the voters would have to decide the issue, but that is a bridge which we can cross when we get to it. We do not believe any additional taxation at the present time is necessary or advisable, and would oppose it vigorously, but we can think of no good reason for not forming an airport district if it can provide an additional service without cost to the area.

DR. KING NAMED TO HEAD LOCAL STAFF

The governing board of the Tahoe Forest Hospital has approved recommendations of the medical staff which designated Dr. B. R. King as chief of staff for the coming year and named Dr. Monica Briner as secretary.

Other active members of the medical staff are Dr. L. D. Nelson and Dr. Walton Prescott. On the Sklar, etaoin Glenerisin TjSeX associate medical staff is Dr. Kenneth E. Turner, while Dr. Alan Sklar is on the courtesy medical staff and Drs. Robert Affeldt and Dr. H. M. Holmes are on the courtesy dental staff. There are also 12 members on the consulting staff comprised of doctors from Reno, Sacramento, San Francisco and Napa, all board certified.

POULSEN WILL BE CARNIVAL SPEAKER

Wayne Poulsen, formerly of Reno and now of Squaw Valley, who was one of the leaders in organizing the University Winter Carnival about 20 years ago, and one of the greatest four-way skiers ever produced in the Sierra, will be the speaker at the carnival banquet on Saturday, February 15, at 6:30 p.m. in the Fable room of the Hotel Mapes.

Wayne Poulsen first conceived the idea of a winter carnival back in 1936 on the Nevada campus. This initial event saw inter-club races and University of Nevada ski team members in the competition.

599 FORMS MUST BE FILED BY SATURDAY

Robert C. Kirkwood, chairman of the franchise tax board today warned all employers that they are responsible for filing information returns, Forms 599, by Saturday night. The information returns report to the state income tax office salaries or wages paid to all single employes who earned $2000 or more and all married employes who earned $3500 or more during 1957.

Forms may be obtained from the franchise tax board, 1025 P street, Sacramento.

AT CONFERENCE

Scheduled to attend the conference on youth participation in community affairs, called by Gov. Goodwin J. Knight at Sacramento Tuesday and Wednesday were Mrs. Fred Pedley and C. W. Sciutto of Truckee and Judge Vernon Stoll of Nevada City.

Wolverines Split In Weekend Hoop Games In Nevada

Winnemmucca Will Play Tomorrow On Local Court

by JOHN FIRPO

The Douglas County Tigers pulled an upset win last Friday as they edged the Tahoe-Truckee Wolverines, 56-54. Saturday the Wolverines traveled to Loyalton where they took a 39-33 victory over the Loyalton Grizzlies of the Feather River League.

Friday, the Douglas Tigers with help from Hans Boeving, big 6-7 center, scored an upset win over the home town Wolverines. Boeving had an impressive 24 points towards the Tiger's win. Douglas led throughout the game until the final frame, when a Wolverine rally put the mountain men ahead. The quarter saw neither team take a big lead until with less than a minute left in the game Douglas, sparked by a field goal and two free throws, took a commanding lead, 56-52. The Wolverines could only muster two points and the game ended 56-54.

High-point man for the Wolverines was Ken Vaughan, whose deadly jump shots around the key kept the Wolverines going with 19. He was followed by teammate Floyd Cooper with 17.

Saturday, the Wolverines had no

Emigrant Way Is New Local Street

Officially designated by the Nevada County Board of Supervisors, Truckee now has a brand new street—Emigrant Way.

Emigrant Way, a name selected from a number of suggestions presented to the board chairman, H. G. Loehr, will extend from the interchange of the new freeway at Donner Monument to the interchange in West Truckee near the McIver home and will embrace that portion of the present Highway 40. This section will be taken over by the county upon completion of the freeway.

VALENTINE THEME FEATURE OF DANCE

Truckee Square Dancers Harry and Edith Ambler, Larry and Frances Ambler and Wilbur and Ava Glenn enjoyed a visit to the Tahoe Twirlers' party night last Saturday at Kings Beach. The combined Hard Times-Valentine theme was carried out during the evening and followed by a potluck dinner.

The Donner Dancers will have their montly potluck dinner tomorrow evening at seven in the Veterans Hall. A short beginner's session will follow the dinner and the regular evening dance will begin at 8:30. Valentine decorations will supply the motif for the party. Guests are welcome as usual at the dinner and dance.

Last week's guests were Larry and Frances Ambler and Bob and Dorothy Leamon.

NORTH TAHOE RAISES $1,101.92 FOR POLIO

KINGS BEACH—Pearl Moore of V.F.W. Post, chairman of the March of Dimes program, and Wiley Jones, polio foundation area chairman, announced contributions to the March of Dimes totaled $1,101.92. This was a program sponsored by the VFW and Auxiliary at North Tahoe.

Collections from the Crystal Bay Club bar, talent show and fines from the Rotary Club swelled funds in the champagne glass at the club. The auxiliary sponsored projects included coin collection boxes in business houses at Kings Beach, and Tahoe City and the schools and service clubs.

The Mothers' March on Polio netted $410.56 which was 18 percent over last year. The auxiliary's projects brought in a total of $734.42, Mrs. Moore said.

The total collected is slightly under last year's and this may be subscribed before the close of the drive.

ON COMMISSION

SACRAMENTO (CNS)—Jamie H. Smith, Los Angeles business executive and well known hunter, has been appointed to a six-year term on the California Fish and Game Commission. Smith, who had served on the state athletic commission until the appointment, succeds Andy Kelly of Los Angeles, whose term expired January 15.

TO ADDRESS MEET

ALAN S. HART, district highway engineer from Marysville who will address a luncheon meeting of the Truckee Chamber of Commerce Friday at Smart's.

District Engineer Will Speak Friday At Chamber Meet

N. F. Dolley, president of the Truckee Chamber of Commerce, said an invitation has been extended to all members and non-members of the chamber to attend the luncheon meeting tomorrow at Smart's when Alan S. Hart, district engineer for the division of highways will be the main speaker.

Hart will discuss the possible effects of the new freeway in this immediate area and will introduce the resident engineers who will be in charge of the construction slated to start in April.

Topics to be discussed will include housing, potential economy and possible inconveniences to be caused by the construction.

Hart will be accompanied by P. R. Lowden, assistant district engineer. Both are from Marysville.

DONNER RACE WILL BE RUN ON MARCH 29

SODA SPRINGS—The race committee of the Donner Trail Memorial race, to be held after a two-year interlude on March 29—announces that a trophy raising fund party will be held at Beacon Hill Lodge on March 2 at 5:30 p.m.

To be given away will be a complete ski outfit including skis (Zorich Ski Shop; ski boots (Buek Ski Shop; quilted nylon parka (Alpinhaus Ski Shop at Rainbow Tavern); ski pants (Soda Springs Skate and Ski Shop); and a ski sweater (Sugar Bowl Ski Shop). Tickets for the party will be on sale this week at all ski shops and lodges in the Donner Summit area.

A buffet dinner will be included in the $1 entrance fee.

PROJECTS FOR VFW AT LAKE PLANNED

CRYSTAL BAY—Two February projects by the Ladies' Auxiliary to the Veterans of Foreign Wars have been announced by Mrs. Pearl Moore, publicity chairman.

Packages of Valentines for children to make were sent to the children's ward at Weimar.

The collection of Christmas cards were mailed on February 12 to the Crippled Children's Hospital school for the mentally retarded, the Mercy Hospital and the Nevada State Hospital. The cards are used for therapy and amusement.

CHARGES FILED AS LOCAL MAN BEATEN

A warrant charging battery has been filed in the Justice Court of F. W. Wilson against Charles Logsden, accused of assault on Charles Bandur. The latter was brutally beaten following an argument over a card game at the Capitol Club, according to witnesses.

Bail was fixed at $200 but the suspect has not been apprehended.

A second complaint charging peace disturbance has been filed in the justice court by George Carter against John Evans. The latter posted $100 bail and has pleaded not guilty.

TO COMPETE

The juniors of the Sugar Bowl Ski Club team will be competing in the junior point race at Yosemite on Feburary 15-16. They are: Mary Helen Reich, Patricia Nast, Starr Walton, Betty Reich, Chris Foeger, Ron Reich and Ted Lerch.

STUDENTS AT BOWL

Seventy students from Mills College were at Sugar Bowl to enjoy their mid-term vacation in the snow.

Airport Election Called; 7 Will Be Board Candidates

Election Does Not Involve Expenditure or Tax For District

An election to determine if an airport district shall be formed for the North Tahoe-Truckee area, will be held April 8.

At the same time a board of directors of five members must be chosen by the voters.

The resolution setting up the election was approved by the Nevada County and Placer County board of supervisors. The proposed boundaries of the district are those of the Tahoe-Truckee Unified School District.

At a meeting of the airport committee held at Smart's Monday at noon, the nominations of three candidates from Nevada County for the office of director were accepted and papers filed with County Clerk John T. Trauner. The candidates are Zeph Rose, Lee Apple and Rex Reid, all active members of the organizing committee.

Fred Schultz, president of the Lake Tahoe Sierra Chamber of Commerce and member of the committee from North Tahoe, announced the four candidates for the board from there will be Bill Conners of Tahoe City, Walter Speeter of Carnelian Bay, Don Stambi of Tahoe Vista and himself.

It was proposed at the meeting here that the Placer County portion of the district be permitted to have three members on the governing board with two from Nevada County. This was agreed to in view of the fact that a large portion of the assessed valuation of the district lies in Placer County.

Cecil Edmunds, chairman of the organizing committee, who circu-

Employment Crew Changes Schedule

In order to accommodate the increased number of people claiming unemployment insurance benefits in the Truckee area, stated Ralph A. Pile, manager of the department of employment in Auburn, it becomes necessary to split the load in half and take half each week.

Although this will require weekly trips to Truckee by the department of representatives, the people will remain on a bi-weekly schedule.

The schedule is set up according to the last four numbers of your social security account number.

New and reopened claims will continue to be taken in the afternoon, however, you should report the first Monday after being laid off to get credit for the week.

The following schedule is published for your convenience.

If the last four numbers of your social security account number, are between 0000 to 4999, you will report on the following dates: 2-17, 1958, 3-3, 1958, 3-17, 1958, 3-31, 1958, 4-14, 1958, 4-28, 1958, 5-12, 1958 and 5-26, 1958.

If the last four numbers of your social security account number are between 5000 to 9999, you will report on the following dates: 2-24, 1958, 3-10, 1958, 3-24, 1958, 4-7, 1958, 4-21, 1958, 5-5, 1958, 5-19, 1958, and 6-2, 1958.

OLYMPIC OFFICIALS VISIT GAMES SITE

H. D. Thoreau, executive secretary of the California Olympic Commission, his assistant, Jack Reuben and Louis Spitz, director of housing for the 1960 Winter Olympic games, were here Friday following a meeting of the Reno Chamber of Commerce Thursday night at which Thoreau was the principal speaker.

The three went on to Squaw Valley to inspect the experimental work being done by the navy in compacting snow in the valley for parking vehicles during the games. None expressed confidence in the plan since the visit was marked by a steady down-pour of rain and melting snow.

GIRL SCOUTS PLAN PARTY SATURDAY

Donner Troup of Girl Scouts will have a party Saturday evening, with their guests at Veterans Memorial Hall.

The room was decorated during the Tuesday meeting and the affair will include games, dancing and refreshments.

PRECIPITATION UP AS STORM RESULT

Continuing storms, with a mixture of rain and snow, principally the former, have added another 1.85 inches of precipitation here to bring the total for the season to 21.50 inches. This is an inch over the normal of 19.43 for the first of March.

Henry Toccalini of the U. S. Forest Service reported 42 inches of snow on the ground here this morning.

The temperature this morning dropped to a low of 16, the lowest mark of the past week with the high being 45 on Tuesday.

NOTICE OF TRUSTEE'S SALE

On FRIDAY, the 28th day of February, 1958, at 11:00 A.M., DORIS C. FELTON as substituted trustee (by virtue of an instrument entitled "Substitution of Trustee" dated February 20, 1957, recorded March 18, 1957, in book 230, page 459, Official Records in the office of the Recorder of Nevada County, California) under and pursuant to a Deed of Trust dated December 5, 1941, recorded December 8, 1941, in Book 75, page 205 of Official Records in the office of the Recorder of Nevada County, California, and securing among other obligations a promissory note in the principal sum of FOUR THOUSAND ONE HUNDRED SEVENTY DOLLARS ($4,170.00) dated December 5, 1941, in favor of FRED D. RAYMOND (now deceased and whose interest as payee and beneficiary has by devolution vested in DONALD M. FELTON), will sell at public auction to the highest bidder for cash (payable in lawful money of the United States of America at time of sale) at the main entrance, Nevada County Court House, Nevada City, Nevada County, California, all right, title and interest conveyed to and now held by her under said deed of trust in the property situate in the County of Nevada, State of California, described as follows:

All that certain property being in the Southwest quarter of the Northwest quarter of Section 23, Township 17 North, Range 14 East, M. D. B. & M., described as follows, to-wit:

Beginning at the Southwest corner of the lot herein described a pipe 1 inch in diameter, from which the point for the quarter section corner between Sections 22 and 23, Township 17 North, Range 14 East, M. D. B. & M., bears South 35° 27' West 247.26 feet; thence North 6° 10' West 100.00 feet to the Northwest corner a pipe ¾ inches in diameter; thence North 83° 50' East 100.00 feet to the Northeast corner a pipe ' inch in diameter; thence South 6° 10' East 100.00 feet to the South east corner a pipe 1 inch in diameter; thence South 83° 50' West 100.00 feet to the place of beginning.

EXCEPTING from the foregoing described parcel that certain parcel of land as conveyed by the deed dated November ——, 1937, recorded December 4, 1937, in Book "39" of Official Records, at page 421, executed by William Rutherford, a single man, to Marie Aslakson, a single woman.

The beneficial interest under said deed of trust was distributed to DONALD M. FELTON by an "ORDER SETTLING FIRST ACCOUNT AND DIRECTING PRELIMINARY DISTRIBUTION" entered in the matter of the estate of FREDERICK D. RAYMOND, also known as FRED D. RAYMOND, also known as FRED RAYMOND, also known as F. D. RAYMOND, deceased, by the Superior Court of the State of California in and for the County of Placer in probate proceeding No. 8209; said Order having been recorded on August 13, 1956, in Book 223, page 407, Official Records in the office of the Recorder of Nevada County, California. Said sale will be made, but without covenant or warranty express or implied, regarding title, possession or encumbrances, to pay the remaining sums due upon said note and secured by said deed of trust, to-wit: $2,999.11 with interest from February 14, 1948, as in said note and deed of trust provided, advances, if any any, under the terms of said deed of trust; fees, charges and expenses of the Trustee and of trust created by said deed of trust.

The beneficiary under said deed of trust, by reason of a breach or default in the obligations secured thereby, heretofore executed and delivered to the undersigned, a written Declaration of Default and Demand for Sale, and written Notice of Breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on August 14, 1957, the undersigned caused Notice of Default to be recorded in Book 235, page 432 of Official Records in the office of the Recorder of Nevada County, California.

Dated: January 27, 1958.

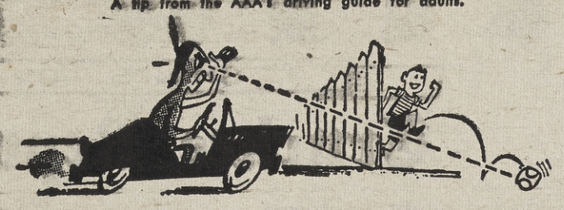
HOW TO DRIVE

A tip from the AAA's driving guide for adults.



WATCH FOR INDIAN SIGNS

The best drivers develop a high degree of traffic imagination and foresight. They think ahead and try to spot an accident-producing situation before it develops into an emergency. For example, when a really good river sees children playing near the street he readies himself in case one of them dashes into the roadway. He doesn't assume that all children will stay on the sidewalk just because they are supposed to do that. If one of the youngsters does run into the street, the good driver will be able to react quickly because he's prepared for trouble.

You'll be a better driver and be better able to protect yourself if you learn to avoid trouble by recognizing trouble-in-the-making. ©AAA

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS) — Ever since the Artie Samish fiasco, which focused public attention on lobbying at the California legislature, the members of the two houses have been what is known as "lobby conscious."

This affliction has led California's solons into some peculiar channels, primarily, the legislation which requires the registration of all lobbyists, and the filing of expense accounts for the work they do in Sacramento.

It has led to hours of investigation, committee hearings, and probes throughout the state, with the net result that no lobbyist has been decimated to the extent that he cannot perform his business at the state legislature. All of which points to the fact that the present legislation is rather usless and perhaps should be revised into some more realistic controls.

The lobby laws have not halted what might be some termed abuses, and by others a part of the business of influencing legislation. It has not, for instance, stopped the milk trust lobby or the California Teacher Association lobby from throwing sumptuous banquets for legislators, which might explain why the price of milk is controlled in California by the state, and why education manages to get most of the things it asks for from the state legislature.

And even though the lobby laws have been ineffective, and probably will be as long as they are on the books, the trend now is to put more law on the statutes for additional interference in the private business of people who come to Sacramento to represent their business organizations.

Assemblyman Charles W. Meyers (D-San Francisco), chairman of the assembly committee on legislative representation announced that his committee will hold hearings in San Francisco, starting January 21, on the "feasbility of legislative advocates reporting their personal living expenses expenditures."

Meyers has invited Attorney General Edmund G. Brown, candidate for governor on the democratic ticket, to testify and give his views on this angle of lobbying, as well as several lobbyists and representatives of civic organizations. This is the first of similar hearings, Meyers said, that will be held throughout the state.

Attacking the lobbyist seems to be a popular sport these days, as legislators must have someone for the "fall guy," or in other words, to blame for their own inefficiencies. Whenever a major piece of legislation fails to pass, it is the lobbyist who gets blamed. The public therefore, believes the fault lies with the lobbyist, and is prone to blame him rather than the legislator who is responsible for the actual voting.

A more reasonable way to clear up inadequacies in the democratic system would be for the public to send men to the legislature who are courageous enough to spurn the importunings of special interests. Fortunately for the democractic system, this is becoming a trend, which may eventually put the lobbyist in a position where his only responsibility will be to explain his situation to committees.

There are 150 navigation lights and four aviation beacons on the new Richmond-San Rafael bridge across San Francisco bay.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Weather

Saturday and another couple of inches of snow adorns the golf course, and more skiers than ever are in the area. Now at 11 a.m. the sun is brilliant, temperature is a nice warm 40 degrees and a beautiful day here in our Kings Beach area.

A Winner

Bob Wray, the up-and-coming Homelite salesman, was right on top for sales during 1957, and earned for himself and wife, a trip with all expenses to Mexico. We are sure the trip will be all that they would wish for. Congratulations, Bob.

A New Citizen

Mr. and Mrs. Bob Center of Kings Beach became parents of a bouncing baby boy at 5 a.m., February 8 at the Tahoe Truckee Hospital. This is the first boy for the couple which now makes two girls and a boy. At the moment the name was not disclosed. Congratulations to Bob and Faye.

Visiting

Bill Cooley and family, son of the Ed Colleys of Incline Beach, have arrived from Los Altos for a short visit.

Sympathy

Had a letter from Doug and Addie Fee telling of the passing of her father. We were very sad to hear of this, as we had known him when he had been visiting with the Frees at Tahoe Vista. We and other friends of the family extend our deepest sympathy.

New Casino In The Making

We were up at Crystal Bay taking a look at the work at the Tahoe Biltmore and there is a vast amount of work to be done, and according to the plans given us by Richard Brennan, it is to be the most modern and up-to-date casino and hotel at Lake Tahoe. It is hoped by Mr. Fitzgerald, the owner, that it will be ready to be opened the latter part of May of this year.

In The Sunshine

Wingy Grober of Cal-Neva Lodge writes that he is still basking in sunshine and frost in Florida but is expecting to be back in early spring. Mrs. Grober, by the way, has been staying at Tahoe all winter and loving it.

Ever Upward

The values of property are sure rising at beautiful Incline Beach. A year ago lots sold for $10,000, and now a year later, the price of these lots have gone up to $14,000. With reports and promises it would seem the next year or two, its going to be a revelation. A shopping center and another hotel is reported to be built in that area. I think this is going to be a strip comparable to the famous strip of Las Vegas.

Trip

Dave Ashton has returned from Pasadena where he spent a few days. The mothers of the nursery would like to thank you for the swell rocking boats you made for the children.

Let's Take The Family Out

It's going to be a family night dinner—a turkey one a that—with trimmings at the Crystal Bay Club February 27 at 7 p.m. Red Waddell is selling tickets or contact Mary Lu or Rev. Langguth as to the tickets for the dinner. It is the annual benefit dinner of the Community Methodist Church. There will be entertainment, and any family wishing to leave their pre-schoolers at the nursey may do so free of charge. It should prove to be a nice family night out.

Board Meets

Jim Sergi, chairman of the board of fire commissioners, called a regular meeting of the board February 6. Mrs. Don Barkhurt requested Sergi take the certificate showing legality of the district to the district attorney's office for them to file with the secretary of state to assure continuation of the district. A letter from the county clerk was read that pertained to the coming election and the laws regarding it. It stated that the fire commissioners are to conduct the election and that a judge, inspector and two clerks must be appointed by the board. It was decided John Corbin be contacted in regards to holding the election at the school house. Subject was brought up regarding completion of the firehouse as pertained to contract between the North Tahoe Fire Control Corporation and the forestry department for constructing an apartment for the forest ranger. Mrs. Barkhurst read a letter she had written the forestry department asking for an opinion on whether they would insist on having the apartment completed, since it was her impression that they no longer intended having a ranger stationed at Kings Beach. Also, their opinion on renegotiating the contract after the election with the elected officials of the district. Discussion was held on advisability of putting a proposition on the ballot in the coming election to get the people's opinion on future financing for capital outlay. Sergi was of the opinion it would be confusing to the people but there is some question regarding the laws governing financing capital outlay so it was decided the matter should be taken up with the district attorney pending further action.

Election

The special election for electing fire commissioners will be held April 1. March 12 is the first day for making application for absent voter ballots and March 27 the last day for making application.

Lake Visitors

Don and Nell Barkhurst had as their guests last week, Mr. and Mrs. George Wilson from Minneapolis, Minn. They were most enthused about the country generally and especially ideal as there is so much snow without the extreme cold that the east experiences under the same snow conditions.

Return Here

Mr. and Mrs. Mike Kornazewich are back at their Kings Beach home after a visit of several weeks at Johnson City, N.Y. and many other interesting places en route.

JOIN THE MARCH OF DIMES

TAHOE WEATHER

TAHOE CITY—Art Frodenberg, cooperative observer at Tahoe City reported that on Monday, the lake level was 6227.46 feet, with 165 csf of water leaving the gates. The recent storms added another six and a half inches of snow to bring the total on the ground Monday to 42 inches. The wet snow and rain brought another inch of precipitation. Mild temperatures have prevailed with a low of 26 and a high of 38 for the week.

Tahoe Truckee School News

KINGS BEACH SCHOOL

KINDERGARTEN: Indian drums were made by Pattie Graton and Rhonda Stevens. We are working on saying our numbers to 30.

FIRST: Philip Goodrich finished his dog (Flip). He is now making a paper mache boy who will be a cowboy. Last week, 15 received 100 percent in spelling.

SECOND-THIRD: Those receiving 100 percent in their final weekly test were: Michael Dapp, Eva Eckenboy, Mike Cook, Janice Wing, Randy Hiatt, Georgia Burris, Roy Mack and Susan Tucker and Jeff Malley. In science, we are studying weather.

THIRD-FOURTH: Our new social studies unit on Indians began with a study of the origin of our American Indians. We are now learning about the various types of shelter used in different parts of the country. We have chosen commttees to show the kinds of homes in each section.

FIFTH-SIXTH: Karen Critchley is chairman of a group who is making an elevation map of Peru. We are studying air and air-flight in science. We wish to take this opportunity to thank Mr. Selkirk, manager of the telephone company, for his program on sound.

TRUCKEE ELEMENTARY

KINDERGARTEN: This week we had our belated birthday cake and party for our January six-year-olds. They were Debbie Pratt, Ben King, and Byron Johnston.

We are happy to welcome Steven Rose on his return to school after a prolonged siege of bronchitis.

FIRST-SECOND: The following second graders have finished "Friends and Neighbors" and are now reading their second 2nd grade reader: Chris Kumle, Michael Davis, Jerry Neugebauer, Rod Farley, Rosa Pinedo, Kenny Bretthauer, Tommy Romo, Michael Borden, Victor Rice and Wilbur Glenn.

Shirley Davis joined our second grade. Shirley has attended school in Reno.

THIRD: Our best spellers this week are: Bill Waters, Eileen Olson, John Collier, Kathy Braasch, Len Vind, Mary Braley, Russ Glenn, Cherie Comola, Gary Waters, Heidi Euer, Jonny Hiatt, Lucille Knauss, Rhonda Manley and Susie Olano.

FOURTH: Highlight of the week took place on Friday afternoon when dancing, singing, an arithmetic contest, and the giving of awards took place. Among the more graceful dancers were Teresa Pinedo Gonsales, Diana Pankoke, C. Ayala, D. Maynard, K. Walker, A. Morey, K. Kenyon, C. Hamilton, D. Ellis, and S. Borden. As far as the boys were concerned, T. Daniels led the way.

We are happy to have a new pupil, Lorraine Davis, in the class. First pupils learning the multiplication table through the 10's were C. Hamilton, D. Pankoke, J. Sturcke, and C. Trainor.

FIFTH: In language arts, emphasis are on outlining, good sentence and paragraph construction this week.

The study of the north central states is our new unit in social studies. David Sorani, Eddie King, Jim Roth, Sara Van Sickle and Steve Davis will be children for the new committees.

SIXTH: On Friday, the various groups gave their special reports about Peru, Bolivia, and Chile. Bonnie Fair and Evelyn Hintz presented a special report on the development of the wheel. Jerry Forrester and Dick Ingalls gave a most interesting report on the Vicuna, Llama and Alpaca.

LAKE TAHOE SCHOOL

KINDERGARTEN: Leslie McBride and Debbie Stark did the outstanding pictures at the easel this week.

In the afternoon, first grade, the students are beginning to compose their own stories for printing time, using words from their readers. Cheryl Bechdolt, Ann Starratt, Leo Quartly, and Heidi Henderson made stars, consistently this week on the original papers.

FIRST-SECOND: In the second grade speed and accuracy test in arithmetic Bro Shontz came in first, Tommy Hoff, second, and George Speeter, third. We also had a 16-word review spelling test and these people did not miss any: Tommy Hoff, Erik Henrikson, Tomby Carnell and Jimmy Caulkett.

We wrote a chart story about our new clay that we were given this week in first grade. We will use it to learn with as well as to play with.

SECOND-THIRD: Mrs. Farr's second and third grades studied the origin of sound, the mechanics of the ear, and also diagramed the ear and reported on the proper care of the same.

FOURTH: Our class was fortunate in receiving 31 books covering early California during the Mission area. Many oral and written reports from these informative tales have been shared with the class. Cathy Conners has read and written reports on 10 of the Mission tales.

We are making progress in our Spanish lesson for the week.

FIFTH-SIXTH: Those pupils who received grade A in spelling this week were: Roger Michener, Eddie Hoff, Greg Moore, Barbara Hampton, Sandra Riggs, and Howard Cincotta.

Howard Cincotta, Eddie Hoff, and Joe Hoxsie also received a perfect score on their geography test.

The basketball game between Tahoe Lake and Kings Beach was cancelled because of the weather.

Kim Turner has been ill this week. We hope to see her soon.

The possibilities of establishing a permanent U.S. Coast Guard installation at Lake Tahoe were discussed at length by (left to right) Senators Thomas H. Kuchel (R-Calif.), Alan Bible (D-Nev.), George W. Malone (R-Nev.), and standing Vice Admiral Alfred C. Richmond, Coast Guard Commandant, and Joseph F. McDonald, president, Nevada-California Lake Tahoe Association. The meeting held in Senator Bible's office in Washington was the culmination of several months study by the Nevada-California Lake Tahoe Association, a non-profit organization, sponsored by the Max C. Fleishman Foundation. Discussed at the meeting was the tremendous growth of tourism and the accompanying use of boats on Lake Tahoe. It was pointed out that the establishment of a permanent Coast Guard installation would do much to regulate boat use and furnish rescue and safety work for the benefit of the permanent Lake Tahoe residents and the thousands of summer visitors.

COMPLETE SURVEY IS ASKED TO SHOW NEED FOR GUARD

A request that the United States Coast Guard make a complete survey of Lake Tahoe was made this week in a letter to U.S. Treasuury Secretary, Robert B. Anderson.

The letter, signed by the four United States senators from Nevada and California told the coast guard governing head such a survey was needed to determine the type of coast guard detachment that should be permanently installed at Lake Tahoe.

The request was made by Nevada Senators Alan Bible and George W. Malone and California Senators William Knowland and Thomas Kuchel, as a result of a meeting held last week in Senator Bible's Washington office.

The meeting, attended by the four senators and Coast Guard Commandant Admiral Richmond was told of the need of such an installation by Joseph H. McDonald, president, Nevada-California Lake Tahoe Association. The association, a non-profit group sponsored by the Max C. Fleischmann Foundation, gathered information and prepared the necessary statistics used by the senators in making the request.

It is expected the survey will start within the next several weeks, and officials are hopeful it will be completed in time for use in planning safety and control needs for the coming tourist season.

JOANNE SPITSEN IS WED TO RICHARD LAMBERT AT TAHOE

by MYRTLE CARNELL

TAHOE CITY—It may have been snowing but spring was certainly in the air with the beautiful wedding of lovely Joanne Spitsen and Dick Lambert on Saturday the eighth of February, at the Corpus Christi Chapel in Tahoe City.

The church was decorated with sprays of white stock and the traditional standards for the first five pews. Joanne's gown was a floor-length white lace over satin with a detailed back of bouffant ruffling from the waist to hem. The long tapering sleeves and the Sabina Fair neckline gave the bride a look of grace, and the veil of white net which was topped with an exquisite crown of pearls and orange blossoms completed the lovely picture. The bride's bouquet was a flowing spray of fleur-demure centered with a white orchid.

Maid-of-honor was the bride's younger sister Jeanne, her dress was of blue lace with a blue satin cumberbund with matching slippers and for a headpiece she wore a circle of net on a crown of velvet. She carried a bouquet of pink carnations with a spray of the fleur-demure from the bride's bouquet. The bridesmaids were dressed in the same attire except they carried nosegays of pink carnations. The bridesmaids were: Christine Bechdolt and Duane Pomin. The flower girl was Noreen Olsen, niece of Martin Spitsen. She wore yellow lace over taffeta and matching shoes and headpiece her bouquet was a duplicate of the bride's. An interesting note here is that when Noreen's parents were married Joanne was the flower girl.

The bride's mothers, Mrs. Melbourne Lambert was attired in a silk print dress with a matching coat of charcoal gray. Special guests attending were: Mr. and Mrs. Truman H. Sunduth, grandparents of the bride from Washing, D.C.: Mrs. Hazel Lindsay, grandmother of the bridegroom: Mr. Spitsen's brothers and sisters and families and many of Mrs. Spitsen's cousins from the bay area were present for the wedding. Arriving early to assist Mrs. Spitsen were her cousins, Mr. and Mrs. Robert Silva. The best man was the bridegroom's brother, Donald Lambert, and ushers were Tom Hall, and Bob Smothers, all of Merced.

Andree Creahan sang the solos for the wedding and also played the organ. One of her selections was the Ave Maria done very beautifully in Latin. Father McAllister performed the mariage ceremony.

The reception following the wedding was held at the Tahoe Inn, where the guests enjoyed a delicious buffet. The guests numbered about one-hundred fifty.

Mr. and Mrs. Dick Lambert left about four for their honeymoon in the bay area. Joanne wore a smart black and white ensemble set off with her orchid from her bridal bouquet.

Friday night before the wedding Mr. and Mrs. Martin Spitsen entertained thirty-two guests in their home for dinner. The party was given for those in the wedding party and the families of the couple. Father McAllister also attended.

Mr. and Mrs. Richard Lambert will be at home to their friends here in Tahoe City where they will make their home. From all of their many friends the best of luck and good fortune is sent their way.

THREE MINORS HELD FOR TAHOE THEFTS

Sheriff William Scott of Auburn revealed that two burglaries at Kings Beach, Lake Tahoe, had been cleared up with the arrest of three minor boys.

The youths, ages 18 and 19 years, were picked up in Colby, Kan., by the highway patrol. They were charged with possessing a stolen car from their home town of Marysville, Ohio.

Scott was informed that a number of stolen articles from the Sportsman's Store and Hank's Union Service Station at Kings Beach were found in the car.

The Kings Beach burglaries occurred on December 29, the sheriff said. Guns, ammunition, and cash with a total value of $340 were taken from the store, and equipment valued at $185 was taken from the service station.

Scott said the suspects apparently drove to California from Ohio and were on their way home when apprehended. The federal bureau of investigation is contemplating charges against the trio for transporting a stolen car across state lines.

A hold has been placed on the youths by the Placer County sheriff's office, and an attempt is being made to retrieve the stolen articles.

CHURCH NOTES

TRUCKEE BIBLE CHURCH

The Women's Bible class which meets each Tuesday afternon will offer nursery care for pre-school children. We invite the young mothers to fellowship with us this hour from 1 to 2 p.m.

Wednesday evening at 7:30 will be the regular power hour meeting.

Friday night at 6:30 will be the occasion of our sweetheart's dinner. Most of the sweethearts have children; herefore we are looking forward to family dinner with lots of good food, music, fellowship. Spiritual food will be supplied by the pastor.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

Ski Hill Being Revived

The old Tahoe City ski hill above the golf course in Tahoe City will once more be in operation thanks to thetime and effort of several of the men in the community. The hill will be operated by the parents and a small sum will be charged for upkeep of the tow and hill. This is a non-profit hill and is for the benefit of all of children interested in skiing. Last week David McBride, Al Lewis, Dick Carnell and George Kunges spliced rope, and previously with the help of Dintey Moore worked on getting the hill in shape. The rope was donated by Jim Williamson, and the motor is being loaned for the season by Dave McBride.

Camp Out

This camping out can be done in several ways so don't think that Bernice Giannini had the girls sleeping on the snow. The girls camped out in the St. Nicholas Mission, sleeping in sleeping bags and bedrolls on the floor, however, they were quite ingenious for their leader they rigged up a bed out of two benches—real comfort Those present were Erica McLain, Dorothy Ronan, Linda Sprague, Karen Henry, Jayne Shontz, Sandra Snyder, Peggy Ronan, Linda Sprague, Karen Henry, Jayne Shontz, Sandra Snyder, Peggy Yeager, Mary Ann Spitsen, Danell Pomin, Janis Giannini, and unable to attend were Kim Turner, Carol Bruce. Afton Sprague and Naomi McLane helped Bernice with the girls for the dinner and evening but because of small children at home were unable to spend the night.

In Hospital

Mrs. Simmonds was taken to the hospital last week quite ill and will be there for a while. I am sure she would like to hear from her many friends. She has lived in Tahoe City for many years and has assisted many when they have been ill.

Returned

Blanche and Wes Donaldson have returned from southern California where they both underwent major surgery. They both are doing well and would like to thank everyone for the lovely flowers, cards and remembrances they received while in the hospital.

News From Jacksons

On January 22 the Don Jacksons, previously of Tahoe City, had an addition to their family. Peggy Marie, a little girl of seven pounds and five ounces came to live with Don and Bobbie and their three girls and one boy. The Jacksons are now residing in Hayward.

Reunion

Brought about by the wedding of Joanne Spitsen and Dick Lambert this past weekend was the reunion of Mary Ann Conners and her three sisters. Andre sang for the wedding. The other two sisters, Betty Ferris and Madelaine Crehan attended the wedding and enjoyed a wonderful visit with sisters.

Women's Club

The theme of the Women's Club luncheon held on February 6 at the Tahoe Inn, was Valentine's Day. The meeting was officiated over by Mrs. Don Snyder and the committee in charge of decorations and arrangements were: Mrs. Don Reick, Ed Wilson and Tony Donadio. The tables were decorated in Valentine theme with manzanita branches covered with Valentines. Flowers used in the decorations were sent to the Women's Club by Mrs. Bob Watson, and lovely baby orchid corsages were flown from Hawaii to the members from Mrs. George Mortimer who is spending the winter in the islands.

Special guests for the occasion were two members of the Kings Beach Women's Club, Mrs. Paul Mullis and Mrs. W. O. Mizner. Mrs. Robert L. Snyder, sister-in-law of Mrs. Don Snyder was introduced to the club. Guest of Mrs. Carl Bechdolt, Sr., was her cousin, Mrs. Nancy McNahon, who just returned from a European cruise.

At dessert time there was a very surprised Mrs. Don Snyder, when the club presented her with a birthday cake and sang "Happy Birthday" to her.

The next meeting of the Tahoe City Women's Club will be held on March 6 at the Tahoe Inn at 12:30 and will also be a luncheon meeting. A movie will be shown on the community.

Heartaches and Set-Backs Only Hearten Rolph Funk

Frustrations and despair are two words that are unknown to ski-jumping Rolph Funk of Rattvik, Sweden, Des Plaines, Illinois, currently of Glendale, Calif.; and soon to be a resident of Lake Tahoe where he spends every spare moment of time.

But for an unfortunate accident that nearly crippled him for life and robbed him of his big chance for jumping in the 1956 Olympics, this handsome, young athlete might have walked off with international honors for distance and style jumping his former Olympic buddies assert.

His accident and other stalemates along his determined climb to the heights, were only momentary incidents that urged him to blaze a comeback trail that may well lead him to the 1960 Winter Olympics at Squaw Valley, and to the realization of his fondest dream—that of a world's title in jumping honors.

You'll find Rolph Funk every weekend these days at one of the many ski resorts at Lake Tahoe. The rigid schedule that he has set up for himself brings shudders to his buddies with whom he works out at every opportunity. He has high hopes that he may yet be chosen as an alternate on the F.I.D. team, and then—there's the 1960 Olympics coming up at Squaw Valley.

BOYS REMINDED TO REGISTER FOR DRAFT

All boys must register for selective service within five days after they reach the age of 18 to avoid lengthy explanations.

They may register at any local board or registrar's office giving their home address and registration will be sent their local boards for processing. Registrants may sign up at the office of the Sierra Sun in Truckee, this service being provided for young men in this area at the time of the 18th birthdate.

Officials of selective service declare many boys are apparently overlooking this important matter.

JOIN THE MARCH OF DIMES

ACCIDENTS IN PHONE COMPANY ARE RARE

A telephone company employe in the Truckee Lake-Tahoe area might figure on being on the job for more than 700 years before having a lost-time accident.

And this is despite the fact that many telephone people hold jobs entailing climbing high poles, stringing wire, or working in manholes with automobiles whizzing by a few feet above their heads.

Nevertheless, figures released today by Pacific Telephone show that PT&T northern California employes worked a total of 64,859,500 man-hours last year and sustained only 43 lost-time injuries.

"That boils down to .69 lost-time accidents per million man-hours worked," pointed out local Telephone Manager George Selkirk, "or about one mishap for every 725 years worth of working time put in."

Those figures do not include motor vehicle accidents, Selkirk said.

"But our statistics there are also impressive," he noted.

Last year Pacific Telephone vehicles traveled some 54,000,000 miles in northern California and were involved in 613 accidents, an average of 1.13 mishaps per every 100,000 miles driven, or one accident for every 88,545 miles. Of those collisions, only a small minority involved personal injury.

"Safety, both on and off the job is a year 'round program with us," said Selkirk.

"And during 1958, we'll be doing our best to get those figures even lower.

PERSONAL INJURY ACTION IS FILED

NEVADA CITY—Personal injury damages in the sum of $35,000 plus medical expenses and loss of wages have been filed against Ted Dreher, Mrs. D. Dreher and five Does in the Nevada County Superior Court by Pearline Ammons. The complaint charges that on August 20, 1957, while she was walking on US Highway 40 five miles west of Truckee she was struck by Drehers' vehicle and that she was hit because he was driving in a careless and negligent manner.

Traveling Calendars Are Now Visiting In Antilles

TAHOE CITY—An interesting letter from Mr. and Mrs. Ben Callender of Homewood told of their vacation on an "island in the middle of the ocean," after going through the Panama Canal, located as Curacao, Netherland, Antilles

The Callenders, who have traveled in many parts of the world, continued to describe the quaint place which is strictly Dutch in atmosphere and far removed from Lake Tahoe, having traveled two weeks on a Norweigian ship.

One of the memorial experiences was the birthday celebration put on by the captain for Jean after two days out at sea. The couple planned to leave on another Norwegian freighter after many unusual experiences during their stay and wished that all of their friends in the Lake Tahoe area could have been on shipboard to share the wonderful trip.

ENGINEERS HERE

William Green, resident engineer and H. H. Tarzian, bridge department representative on construction of the division of highways have arrived to take up their positions in the construction of the new freeway between Donner Lake and Boca.

IN HEMET

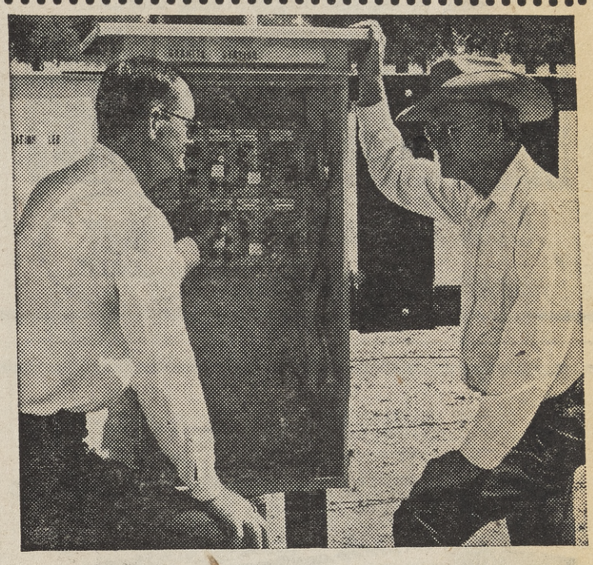
Mildred Burch wrote from Hemet sending best wishes to their many friends in this area, saying that Snowden's health has improved and she is continuing to work in the office of a hospital.

The former Kings Beach couple plans to make Hemet their permanent home.

JOIN THE MARCH OF DIMES

WHAT'S DOING

George Selkirk, Telephone Manager, Truckee-Tahoe



See that box on the telephone pole? It helps seven phone calls travel at the same time along this one pair of wires. That means one pair of wires is doing the job of seven! You'll get an idea of how it works if you think of a freeway, with cars running side by side in separate lanes. To carry your calls, a carrier system sets up separate *voice* lanes, or frequencies. With these extra voice lanes, phone lines can work a lot harder for you. Especially in rural areas, carrier systems are helping us bring more service to more people.

* * * * *

When a fuse blows out at your house do you sometimes have a tough time seeing which one to replace? In a phone office, the grasshopper fuse (left) helps solve that problem. (And it *does* kind of look like a grasshopper, don't you think?) When this fuse blows out, a colored bead springs out on a metal arm. So our people can spot it in a jiffy. Little things like this speed up repairs, save time when minutes count.

* * * * *

Planning to write a letter? Why not surprise him—or her—with a phone call instead. It's so much more personal when you can hear each other's voices. And in a 3-minute call you can say as much as you'd write in a good-sized letter. You can call clear across the U.S. for $2 plus tax. That's the station-to-station rate after 6 p.m. and all day Sunday. And calls to closer points cost even less. **Pacific Telephone**

FASTER WINTER STARTING

Chevron Pressure-Primer System starts heavy-duty engines in seconds—even in coldest weather. Small steel cartridges of Chevron Priming Fuel, a simple discharger and a few feet of tubing complete the kit.

This low-cost system reduces crankcase dilution and engine wear, lengthens battery life.

To avoid fuel line icing, pour a little Chevron Ban-Ice® in your gas tank.

Tahoe Truckee Hi Now Included In State Cadet Corps

The State of California maintains its own military education program for secondary schools through the medium of the California Cadet Corps, based on the Military and Veterans Code of California.

The Tahoe-Truckee High School has this year adopted the cadet program as a part of their expanding curriculum. The purpose of the cadet program is two-fold, the first mission of the corps is to develop qualities of leadership and secondly to give the individual cadet enough knowledge of things military so that his entrance into one of the armed forces will not be entirely foreign to him. The general educational development of the cadet is of primary importance and the military training is secondary.

Tahoe-Truckee is one of the 172 different schools throughout the State of California that maintains a cadet unit. The local unit Company A Second Battallion has a first year membership of 43 cadets which is run in conjunction with the physical education program. Membership in the cadet program is entirely voluntary and does not impose any military obligations whatsoever to serve the state or federal government in any of the military forces.

All equipment, such as uniforms, drill rifles (M1903), rifles and ammunition for marksmanship, insignia, instructional aids, charts, etc., are provided for the unit by the state at no cost of the school district which provides only the faculty member Lieut. S. J. Drakulich, who is commandant of cadets. The C.C.C. also includes the annual summer encampment for two weeks at San Luis Obispo where cadets receive practical instruction in military activities which cannot be readily taught by the school.

The "57" encampment was attended by Robert Williams, Richard Brown, Dean Beyer, Bill Sanders and Don VanHooser along with some 1400 other cadets. Richard Brown received a ribbon when he was selected as honor cadet.

In November, Robert Williams, Richard Brown, Don VanHooser and Damon Wainscot attended the leadership school held at San Juan High School with all four passing the course and receiving a leadership badge. All four cadets scored among the top 20 of 120 cadets at the school.

Company commander of the local unit is Cadet Captain Robert Williams, with First Lieut. Damon Wainscoat and Second Lieut. Don VanHooser as plattoon leader. The company commander and platoon leaders under the supervision of commandant are responsible for the instruction of the cadets in such subject as military courtesy and discipline, leadership and drill, first aid, military sanitation, map reading, marksmanship and other subjects.

At the present time the unit is in the process of organizing a rifle team and are going through their preliminary firing thanks to the local veterans organization which has allowed the cadets to use the Veterans Memorial building for rifle practice. First match was against Coleville Jan. 16. A drill team is also being organized under the direction of Lieutenant Wainscoat and will perform at home basketball games in the very near future.

Other members of the unit holding positions of rank are: Dean Beyer, first sergeant; Barry Graton, supply sergeant; Mike Smith, Richard Brown, platoon sergeants; Errol Kehm and Mitchell Terkildsen, assistant platoon sergeants; Joe Montana, LeRoy Ryser and Mel Dapp, squad leaders.

The members of the unit desire to fullfil the purpose of the cadet corps, and have adopted a motto which they hope will make them a credit to the school, the corp and the community. The motto is "Cras Duces," which means tomorrow's leaders.

Other members of the unit are: Steve Ayala, Dean Barr, Jerry Beck, Brian Calhoun, Bill Connors, Bob Cushman, James Farnham, David Hampton, Gary Henry, Larry Hughes, Jim Hutchins, John Hutchins, Mike Kaspian, Quinton Kay, Dale Eaton, George Kenyon, Carl Levy, Jim Loynd, Walt Mandeville, Paul Mason, Jim Moore, Paul Quartly, Steve Randall, Tim Risden, Randy Schultz, Reg Smart, Nicky Stone, Carlef Terkildsen, Bill Thornton and Bill O'Hanlon.

STRICTLY STRICKLAND

By Bill Strickland

Two Mountain Top youngsters will have their names inscribed on the Dick Buek Memorial perpetual trophy. Kit Schull, 17, Jr. I of Norden and Squaw Tahoe for the boys—and, Smiley Tschopp 15, Jr. II now of Sacramento, but former Mountain Top resident, and skiing for Squaw Tahoe for the girls. Kit's 59.9 was the day's fastest overall time. Smiley's 63.5 was the fastest girl's overall time and second fastest of all times, certainly two outstanding young skiers following in the ski tracks of our Mountains greatest. Tom Reich, 15, Sugar Bowl, was second over all boys—64.8, and Wayne Poulsen, Jr., 13, and a Jr. III had the third fastest boy's time of the day—an excellent 68.1. Starr Walton, 15, Jr. 11, Sugar Bowl, was the second fastest girl—65.8, followed by Pat Nast, 17, Jr. I, Sugar Bowl—68.9.

A turnout of 75 competitors entered, and all did real well. A storm obliterated the top from the bottom all during the running and at times it was snowing so hard some of the racers could not see more than one gate ahead.

Jim Baker took two days off from his job at the Reno Ski Bowl, to officiate as referee and chief of course. Other officials who gave up their day's skiing to help were Wayne Poulsen, starter-top of course. Ray Fellows, judge of finish. Madeline Walton, Warrent Hart, Helen Reich and Dinty Moore, timers. Marie Strickland, Ernie Tschopp and Fran Couillard, recorders; Bob Stark, chief gatekeeper and Peggy Travis, lift tickets. Our sincere thanks to all of you for your help and wonderful cooperation.

We, personally, of course, were watching with great interest a young man in Jr. V—and, as it turned out Jr. V second, third and fourth place were mighty close. Lance Poulsen was first with a good margin, 53.9, but the race between Mike Hart, John Carnell and Bill Strickland was a lu-lu. Mike wound up in second with 64.3, followed by Johnny in 65.5 and Billy in 65.9—you can't get much closer times.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA.

SUMMONS
NO. 11710

ANDREW ARMATI, Plaintiff,
vs.
PLACER COUNTY TITLE COMPANY, a corporation, as trustee of Dan Sala; DAN SALA; E. J. BRICKELL; JOSEPH GRAY; F. LUN HALTER; J. L. LEWISON; LUNSING; TUCK CHUNG; WILLIAM PAUL THOMAS, JR.; and "also all other persons unknown claiming and right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto",
Defendants.

Action brought in the Superior Court of the State of California in and for the County of Nevada, and the complaint filed in the office of the County Clerk of said county.

ROBERT C. SCHIFFNER
and
LYNNE KELLY,
Attorneys for Plaintiff.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETING TO:

PLACER COUNTY TITLE COMPANY, a corporation, as trustee of DAN SALA; DAN SALA; E. J. BRICKELL; JOSEPH GRAY; F. BURCKHALTER; J. L. LEWISSON; LUN SING; TUCK CHUNG; WILLIAM PAUL THOMAS, JR.; and "also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto",

DEFENDANTS.

You are hereby notified that an action has been commenced against you in the above-entitled court by the above-named plaintiff for the purpose of determining all adverse claims to and clouds upon the title to all that certain real property situate in the County of Nevada, State of California, particularly described as follows, to-wit:

Those certain portions of the Northeast Quarter of Section 15, Township 17 North, Range 16 East, Mount Diablo Base and Meridian, lying South of the Truckee River and East of Bridge Street, described as follows, viz.:

PARCEL NO. 1: Beginning at an iron pipe at the South edge of a 6-foot walkway on the North side of River Avenue, from which the northeast corner of said Section 15 bears North 32° 31' East 1547.53 feet, and running thence North 64° 14' East 237.29 feet to a pipe on the South edge of walkway at the southeast corner of the lot; thence North 26° 12' West 6.00 feet to property line, 76.00 feet to pipe, 123.92 feet to pipe, 143.92 feet to the South side of the Truckee River; thence South 70° 35' West 239.20 feet along the South bank of the river; thence South 26° 12' East 10.00 feet to pipe, 94.28 feet to pipe, 170.28 feet to the South edge of walkway and the place of beginning; containing 0.82 of an acre, more or less.

PARCEL NO. 2: Beginning at an iron pipe at the South edge of walkway and the southwest corner of the lot, on the North side of River Avenue from which the northeast corner of Section 15 bears North 25° 12' East 1292.07 feet, and running thence along River Avenue; North 64° 14' East 134.07 feet to the West line of the R. B. Tonini lot, certified as Lot 5, thence North 15° 58' West 145.40 feet to a corner fence post; 160 feet to the South bank of the Truckee River, thence South 63° 12' West 162.55 feet along the river to the northwest corner of lot; thence South 26° 12' East 15.00 feet to pipe; 79:00 feet to pipe, 155.13 feet to the place of beginning and containing 0.43 of an acre, more or less.

PARCEL NO. 3: Beginning at an iron pipe at the edge of walkway on the northwest corner of the lot on the South side of River Avenue from which the northeast corner of said Section 15 bears North 26° 56' East 1397.11 feet, and running thence: North 64° 14' East 236.15 feet along the South side of River Avenue to the East line of the lot of R. B. Tonini, certified as Lot 5; thence South 15° 58' East 77.13 feet along the West line of Lot 5 to an iron pipe at the southeast corner of lot; thence South 64° 14' West 223.07 feet to an iron pipe at the southwest corner; thence North 25° 46' West 76.00 feet to the place of beginning, 6 feet North of the property line, and containing 0.37 of an acre, more or less.

You are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the County of Nevada, State of California, within ten days after the service on you of this summons —if served within this county; or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or plaintiff will apply to the court for any other relief demanded in the complaint.

GIVEN under my hand and the seal of the Superior Court of the County of Nevada, State of California, this 24th day of January, A. D. 1958.

JOHN T. TRAUNER,
County Clerk,
By Jack K. Hansen,
Deputy Clerk.

ON HIGH—Army Rangers who have to strike silently in the dark often have to scale cliffs to attain their objective. Sergeants First Class Edmond Fricke of Columbus, Ga., and Tommy Fleming of Dallas, Tex., descend a vertical wall as mountain climbing soldiers rapell down a sheer cliff face.

NELDA STONE HONOR STUDENT AT SIERRA

AUBURN—Miss Nelda Stone of Truckee, a graduate of the Tahoe-Truckee High School, is listed on the Sierra College president's honor roll, based on first semester scholarship.

The roll this year contains 65 names of students obtaining a B average or better for the semester.

ANDERSON RETURNS FROM BOAT PLANT

TAHOE VISTA—J. D. Anderson of Andy's Boat Rental, Tahoe Vista, Lake Tahoe, has returned from Minneapolis, Minn., where he participated in a special five-day outboard mtor service program conducted by Scott-Atwater Manufacturing Co., outboard motor manufacturer.

Anderson is the local Scott-Atwater dealer.

Officials of the outboard motor firm reported that the trend to bigger boats and motors is continuing, according to Anderson. This year, he said, Scott-Atwater has introduced an all new 22 horsepower engine that offers big motor performance at a modest cost.

COUNTY AIRPORTS GIVEN STATE FUND

SACRAMENTO (CNS)—Nevada County received $3319 during January as its 1958 annual allocation for its two city or county public airports, from refunds on aviation gasoline on which highway user taxes were paid.

This allocation was in addition to the $22,899 the county has received in the non-highway gasoline purchase refunds since July of 1949.

The annual allocation for all the counties totals $350,000 Since 1949, the counties have received $2,846,040 for use on the public airports.

The State Aeronautics Commission reported two of the three counties which do not own airports or have cities owning airports are working toward ownership and may make this stride during 1958.

WATER HEARING IS SET FOR FEBRUARY 12

SACRAMENTO (CNS)—The State Water Rights Board has announced a public hearing on applications for water from the Truckee and Little Truckee Rivers in Nevada and Sierra counties will be reconvened in Sacramento February 17.

The Sierra Pacific Power Company, U.S. Bureau of Reclamation and Washoe County Water Conservation District have made competing applications for the water and hearings, previously commenced, were continued to permit possible compromise.

OUT OF SERVICE

Jerry Quam, well known Truckee young man, was here this week visiting friends following his discharge from the army. Quam spent most of his service time in Germany. He hopes to return to Truckee to live but is presently staying in Chico with his mother.

Aircraft were used to treat 5,601,548 acres of California farm lands for pest control in 1956.

GOES...
where ordinary trucks can't go!
With the extra traction of its 4-wheel drive the rugged all-purpose 'Jeep' Truck "takes off" where other trucks leave off. It carries a payload of more than a ton through mud, sand, snow or soft earth—goes where other trucks can't go. It travels at highway speeds in conventional 2-wheel drive. Equipped with power take-off, it supplies mobile power for many types of machinery used in industry or on the farm. It's time-tested and performance-proved... it's America's lowest priced 4-Wheel-Drive Truck.
4-WHEEL-DRIVE Jeep® TRUCK
WILLYS...world's largest makers of 4-wheel drive vehicles

WOLVERINES

Continued from Page 1

trouble in whipping the Loyalton Grizzlies, 39-33. The visiting Wolverines piled up quarter leads of 11-5, 25-18, 32-26, and finally 39-33.

Floyd Cooper led the scorers with 14 counters followed by Berger Nelson with 12. Nelson's consistent rebounding played an important part in the victory.

In the prelims, the JV "Cubs" dropped two ball games: first they lost to the Douglas JV, 34-27, then to the Loyalton JV, 37-25. The loss to Loyalton was one of the best games played by the "Cubs" this year, regardless of the score.

High-point against Douglas was Guard Sammy Medford with eight. Against the Loyalton JV, Woody Ribal was high with seven.

Next game both squads are at home against the league-leading Winnemucca Buckaroos tomorrow night. The Wolverines were defeated earlier by the Buckaroos 55-52 in a sudden death matter at Winnemucca. The following day the teams will travel to Douglas to even their losses. JV games start at the usual 6:45 p.m.

WANTED TO RENT: Two-bedroom house, furnished. By bridge engineer on highway construction here. Inquire Sierra Sun, LU 7-3553.

8TH ANNIVERSARY OF TWIRLERS FETED

KINGS BEACH — The Tahoe Twirlers Square and Round Dance Club of Kings Beach Saturday night celebrated their eighth birthday party with the following guests joining the members for a gala evening: Messrs. and Mesdames Wilber Glenn, Harrison Ambler, Larry Ambler, all of Truckee, Jack Hallahan, Bob Boyer, Harold Barnham, Bill Stephenson, Jim Lockhart, all of Kings Beach.

Mrs. John Levra said that the group is looking forward to another year of dancing and welcome new-comers along with the regular participants who meet every Saturday night except the third Saturday of each month.

GRAZING FEES FOR FOREST REVEALED

Ralph Lessel, range management officer, Tahoe National Forest, announced today that the grazing fee rates for national forest range lands for 1958 have just been released. Fees for cattle will be 51c per animal month, and for sheep 13c per animal month. These fees reflect the average price paid the previous year for livestock.

JOIN THE MARCH OF DIMES

WASHOE FUNDS ARE ASKED BY MALONE

The first step toward securing first year construction funds for the $51,833,000 Washoe project was taken last week when Senator George Malone of Nevada introduced a resolution calling for "sufficient" funds to begin the preliminary construction.

The resolution was prepared by the California-Nevada Interstate Compact Commission.

New Family—

Mr. and Mrs. Barry Rayner and three children recently arrived here from Nevada where he has been employed by Z Market.

At Santa Rosa—

Al Haltom is a business visitor at Santa Rosa.

Improved—

C. B. White is greatly improved at his home following his fall last week from his conservatory roof.

PORT ELECTION

Continued from Page 1

lated the petitions for the Nevada County candidates, made it clear at the meeting that the formation of the district does not involve any expenditure whatever, but that the action is being taken to preclude any move by other sections of the two counties to embrace this district in other remote airport districts.

The result of such a possibility was seen recently in the formation of a junior college district. Despite the fact that this region will benefit only in a small degree, and voted more than 700 to 10 to be excluded, the preponderance of voters in other portions of Placer County brought about the formation of the district with North Tahoe and Truckee comprising a vital tax-supporting portion.

While it may be agreed that an airport is desirable, the required financing would be through a bond election and it is very doubtful if an election for increased taxation would be popular at this time.

However, the committee has been negotiating with an air line company which is desirous of taking over the local field, providing a district's share of development to match federal funds which are available to pay approximately 54 percent of the costs.

In event the district is formed at the election in April, the directors will continue negotiations with this company, Edmunds suggested, with a good chance that the area can have an airport without any capital outlay. Several airline concerns have indicated a desire to subsidize the local field, and the California Aeronautic Commission as well as the Civil Aeronautic Authority have given considerable encouragement to local planners.

Though the formation of a district, the area will immediately become eligible to participate in state gas tax funds, with a minimum of $2500 and possibly considerably more coming in annually. Other subventions from the state and federal governments are allocated to airport districts meeting requirements specified and whether or not a field is constructed, the district will be in a position to share in these allocations, Edmunds explained.

Poulsen Answers Land Seize Suit

AUBURN—Squaw Valley landowner Wayne Poulsen last week fired another shot in his battle to prevent the state from condemning part of his property for the 1960 Olympic Winter Games.

In a demurrer filed in the superior court Poulsen declares the court has no jurisdiction to hear the state's condemnation suit because statutes relating to the Olympic games are unconstitutional.

The expenditure of funds appropriated by the legislature to the California Olympic Commission, the demurrer says, would be illegal because it would constitute a gift of public money.

The Olympic Games legislation, he argues, would provide public funds for the benefit of private individuals and corporations not under the exclusive management and control of the state. The games, it is asserted, are being arranged as a competitive sporting event by a private organization.

The demurrer also argues the state cannot legally seek to condemn Poulsen's land because the condemnation power was vested by the legislature in the California Olympics Commission.

The action to take part of Poulsen's land permanently for the games site and a larger section for temporary use for parking facilities was filed in the name of the state, acting as agent for the Olympics commission.

The condemnation action was begun after negotiations for the purchase of parts of Poulsen's land broke down.

INCUMBENTS ALL TO SEEK REELECTION

It has been indicated that all incumbent county officials will seek re-election of the June 3 primaries.

At the same time it was rumored that nearly all these incumbents will have opposition, although only one, Les Cicogni, former deputy county assessor, has definitely announced he will oppose Charles R. Kitts, who was appointed as assessor upon the resignation of William Tamblyn last year.

Incumbents who have signified they will seek re-election are:

Vernon Stoll, superior court judge; John T. Trauner, clerk and auditor; Denis A. Christin, superintendent of schools; Wayne Brown, sheriff; Harold A. Berliner, district attorney; Miss Elma Hecker, treasurer and tax collector; Charles R. Kitts, assessor; John E. Nettel, recorder; Victor L. Montre, Grass Valley judicial district judge; Fosten Wilson, Truckee judicial district judge; Alvah Hooper, coroner; and Joseph O'Conner, surveyor.

TO BE HOSTESS

Miss Mary Ann Tonini, daughter of Mr. and Mrs. Elden Tonini of Truckee, a member of the women's ski team of the University of Nevada will be an official hostess during the four days meet of the Nevada 19th Annual Winter Carnival in which a dozen college teams will take part.

WEST PLACER GROUPS CONTINUE SITE FIGHT

The executive board of Auburn Union Elementary School Parent-Teacher Association, at their regular meeting on February 4, passed a unanimous motion requesting motion requesting delay in the decision on the new site for Sierra Junior College.

The board, with 27 members present, made its request in the belief that the reservoir of goodwill built up in the passage of the new junior college district and the $3,200,000 bond issue, must be preserved in order to go forward successfully with the college.

It is believed that an interval of time in which citizens can satisfy their questions and concerns, will create a favorable atmosphere of continued good-will.

The board will present the request for delay in site selection to the membership of 1010 members at the next regular meeting of the P.T. A. on Tuesday, February 18.

The Colfax Area Chamber of Commerce at a meeting February 5, passed a resolution recommending to the board of trustees of the Sierra College District that they consider retaining a qualified and unbiased expert on the choice of the site for the new college.

Previously the Auburn Chamber of Commerce and other organizations and individuals asked that an expert be employed for the site selection.

Disregarding these requests, the board, by a 3 to 2 vote, selected a site near Loomis, which is held by many to be entirely unsatisfactory and in a location where buses would be required to cross to railroad tracks.

Hal Welch, member of the board from Truckee and Lake Tahoe, vigorously opposes the site selected.

OUTSTANDING FILMS ON DONNER SCREEN

Programmed at the Donner Theater this week are four outstanding pictures, starting off tonight with Affair in Reno, starring John Lund and Doris Singleton. This is a fast moving comedy romance and should have more than passing local interest because of the locale of the story.

Friday and Saturday, Legend of the Lost, a new John Wayne picture with Sophia Loren costarring, will provide the well known and exciting Wayne story. It was filmed on the Sahara desert in technicolor and required two years to make.

Pal Joey, with Rita Hayworth, Frank Sinatra and Kim Novak fills the bill Sunday and Monday and on Tuesday and Wednesday Hell's Crossroads, starring Stephen McNally, Peggy Castle and Robert Vaughn, will delight in the fabulous story of Jesse James. The films relates the story of the most violent chapter in the history of the old west and is loaded with excitement, drama and action.

VISIT DEATH VALLEY

Mr. and Mrs. Clarence Osburn and their young children have been spending the week at Death Valley. Mr. and Mrs. Lauren Russell were also visitors in the southern area.

White Boot Trains—

Bill White, son of Mr. and Mrs. Guy White of Colfax is in San Diego taking US. Navy boot training. The young man formerly attended local schools.

RESIGNS POST

Daven Morey has resigned his position as inspector at the Truckee quarantine station. Mr. and Mrs. Robert Butram and their son are scheduled to arrive from Smith River on February 22 and Butram will replace Morey at the station. Morey said he has several propositions in mind but has not definitely determined which he will accept.

RE-ELECT OFFFICERS

Robert Schiffner of Nevada City was re-elected president of the Nevada County Bar Association for the third consecutive year at the annual meeting held last week. Crofford Bridges was selected as vice-president and Leo Todd was retained as secretary.

FOUR DEATHS THIS YEAR IN ONE FAMILY

TAHOMA—Mrs. and Mrs. William Haste of Gardena visited Tahoma friends this week during a business trip in northern California.

They also visited a daughter, Miss M. Haste, a public health nurse at Hayward and Mr. and Mrs. Lou Celia of Berkeley and Lake Tahoe.

Mrs. Haste said that four deaths occurred in their family since last fall, including their only son, William Haste, Jr., a nephew and her two sisters. Their friends here extend their sympathy to the well known couple.

PHELP'S NATIVES EXPERTLY SAWED THE TRUNK OF A MIGHTY KHAYA TREE. SOON THE SHARP TEETH DID THEIR WORK--THE FOREST GIANT GROANED, THEN COLLAPSED WITH A RESOUNDING CRASH!

AFTER THE HUGE TREE HAD BEEN FELLED AND 'SQUARED' TO ELIMINATE EXCESS WEIGHT, THE MEN HITCHED DRAFT ELEPHANTS TO ONE END, USING MANY STOUT CABLES.

AFTER A SLOW, TEDIOUS JOURNEY THEY REACHED THE LANDING AND THE GREAT LOG WAS SETTLED BY THE RIVER BANK.

PHELPS TURNED CAUTIOUSLY TO HIS NATIVES. "ALL RIGHT, MEN--WHO WANTS THE PRIVILEGE OF FLOATING THIS TIMBER TO MATEMO?"

THE REQUEST WAS MET WITH STONY-FACED SILENCE--

DICK VANBUREN JOHN CELARDO

THEN ONE NATIVE STEPPED FORWARD, GLOWERING. "YOU CAN FORCE NO ONE, BWANA, TO BE KILLED BY THE DEMON CROCODILE!"
